THE MACALLAN

The Macallan is renowned worldwide for its extraordinary single malt whiskies.

Two centuries have passed since Alexander Reid, founder of The Macallan, distilled the first batch of whisky in his curiously small stills in Speyside, Scotland, in 1824, beginning the extraordinary legacy of the single malt Scotch whisky.

An obsession with quality and craftsmanship is the hallmark of The Macallan. The outstanding quality and distinctive character of each whisky is influenced by exceptional oak casks seasoned with sherry wine - a commitment to natural colour underpinned by mastery. Designed by internationally acclaimed architects, The Macallan Distillery is located on a beautiful 485-acre Estate and takes inspiration from the surrounding ancient Scottish hills.
