

MARRY ON A SUNDAY

Once reserved for a day of rest, now a favourite day to celebrate.

There's something wonderfully relaxed about a Sunday wedding. With exclusive use of The Coach House, you'll enjoy a full day of celebration, from your ceremony and drinks reception through to your wedding breakfast and evening festivities.

Welcome your guests with a glass of sparkling wine or bottle of beer, before enjoying a three-course wedding breakfast accompanied by half a bottle of wine per guest and a sparkling wine toast.

As the day unfolds, continue your celebrations with evening dining, music from our resident DJ and an overnight stay in the Wedding Suite.

In preparation of your wedding day, you'll be invited to The Lantern Room Restaurant for a menu tasting, helping you select the dishes that will form part of your celebration.
