What we're looking for

We're looking for an experienced pastry chef who is ready to make the pastry section their own.

You'll need strong pastry knowledge and the confidence to lead your section, but we also want someone with ideas. Someone excited by the opportunity to develop our Afternoon Tea, contribute to The Lantern Room and put their own stamp on pastry across the House.

Rosette or similar high-level experience would be an advantage, but creativity, attention to detail and a genuine passion for pastry matter most to us.
